Mrs. Friedrich Hermann Grimm,  
Berlin.

My dear Madam:

I have recently sent Professor  
Grimm, your husband, a copy of the July Quarterly of the  
Texas State Historical Association. It was intended for  
yourself, the address to him being inadvertent. The Quarterly  
was sent you in the hope that you would be interested in  
the article on "The Communistic Colony of Bettina".

I am

respectfully and sincerely yours,  
George P. Garrison.
